PROTEIN FOODS
If you are serious about stretching your budget you'll watch both Pork and Poultry. They are the outstanding values. These foods are versatile... use them many ways. It's mighty handy to have cooked chicken or turkey in the freezer ready to use in a minute. Slice the meat off the bones before wrapping and freezing.

Use California's abundant fruit with succulent pork for a dinner treat:

CALIFORNIA PORK CHOPS
6 loin or rib pork chops
Salt, paprika
3 apples (Pippins, Jonathans, or Rome Beauties)
1/2 cup raisins
1/4 cup packed brown sugar.

Brown chops on both sides. Season with salt and paprika. Core but do not pare apples and cut into thick slices. Leave chops in skillet or place in baking dish. Scatter raisins over chops. Top with apples and sprinkle with sugar. Pour 1/4 cup water around chops, cover and bake in moderate oven (325°F.) one hour or until tender. Baste once or twice during baking with liquid in pan. Chops may be cooked in a covered skillet on top of the range over low heat. Pork shoulder steaks may be used in place of chops. 6 servings.

Beef and Lamb are comparable in price. Markets expect to feature beef and lamb, but you'll have to seek "specials."

ON THE PRODUCE STANDS
Apples. Delicious, Newtown Pippins and Rome Beauty most abundant.

Avocados
Grapes. Many varieties, but Emperors and White Malagas plentiful.

Pears. Anjou, Comice, and Winter Nelis.

Persimmons. Try this Market Man's Favorite Persimmon Pudding:
(Tender and moist when steamed; delightful crust if baked)
1 cup flour
1/2 tsp. salt
1 tsp. soda
1 egg
1/4 cup sugar
1 cup sieved persimmon pulp
1/4 cup melted butter
1/2 cup milk
1/2 cup chopped California walnuts

Sift flour twice with salt, soda and cinnamon. Beat egg, mix with sugar. Add persimmon pulp. Stir in melted butter. Add flour and milk alternately. All walnuts and beat thoroughly. Fill greased molds 3/4 full and steam for 2 hours, or bake in a slow oven 300°F. for an hour. Serve hot with hard sauce or a hot pudding sauce.
